Program Notes

Heralding Angels draws from the famous Christmas carol, "Hark! The Herald Angels Sing," which has been transformed often since it first appeared in 1839 in John Wesley's collection *Hymns and Sacred Poems*. The text was written as a "Hymn for Christmas-Day" by Charles Wesley, whose original concept of slow and solemn music was eventually abandoned. The original hymn began with "Hark! how all the welkin rings / Glory to the King of Kings," subsequently changed to the familiar "Hark! the Herald Angels sing" by George Whitefield in 1754. A change in 1782 introduced the repetition of the opening line "Hark! the Herald Angels sing/ Glory to the newborn king" at the end of each stanza, as it is commonly sung today. In 1855, British musician William H. Cummings adapted the second part of Felix Mendelssohn's 1840 cantata *Festgesang* to fit the lyrics of "Hark! The Herald Angels Sing," and this is the version known today.

This regal presentation of the traditional holiday favorite musically displays the glory of the hybrid text by Wesley and Whitefield with plenty of fanfares, trills and flourishes in the style of the period that Mendelssohn composed his Gutenberg cantata. The trumpet descant and timpani add to the majesty intended in the lyrics.

This arrangement concludes with an appropriate quotation from *Joy to the World*, exclaiming "Let Earth Receive Her King."

Rehearsal and Performance Suggestions

The title reflects the prominent sound of heralding trumpets, so all instruments should try and emulate the articulation, bright sound and projection of the trumpets in all marcato passages. The precise release of the woodwind trills will also help maintain the slightly separated majestic style. The colorful metallic sounds of the chimes, bells, triangle and cymbals contribute to the familiar sounds of this joyous season.

I hope you enjoy **Heralding Angels**.
