Program Note

Hanukkah is a rich "Festival of Lights" that has been celebrated around the world for generations. **The Magic Of Hanukkah** is a wonderful upbeat arrangement of two Hanukkah classics. We begin with a lyrical setting of "Maoz Tzur" that features changing textures and fresh, contemporary harmonies. "The Dreidel Song" is then featured with creative musical development and a fun and engaging tempo change. The celebration then closes in a rousing and exciting style. We hope that you enjoy this creative, fun, and upbeat arrangement of **The Magic Of Hanukkah**.

Rehearsal Suggestions

The opening measures should be expressive and in a singing style. Strive for a good balance, bringing out the moving lines. The section beginning at measure 21 marks the beginning of a playful, light style. In the section beginning at m. 33, a countermelody is introduced by some woodwinds and melodic percussion. Please work to balance this appropriately. The tempo change at m. 65 is only a suggestion; feel free to adjust the tempo appropriately here to best fit the ability levels of the group. Work for a full sound at m. 79, bringing out the melody.

I hope that you and the band enjoy rehearsing and performing this arrangement. It was my goal to write music that is upbeat and cheerful. Please contact me at my composer page at barnhouse.com with any questions.

Happy Holidays!
