## Program Note

Get ready for this powerful, contemporary concert opener that sounds like it came right out of a science fiction TV series! You will hear a dramatic opening fanfare that leads to a broad and stately melodic theme. From here, the style changes to a feel reminiscent of floating on air. The previous stately melodic theme returns, powerfully and more developed this time, and ends with a bold and exciting final statement. We hope that you enjoy **Intrepid Voyager**.

## Rehearsal Suggestions

Strive for a bold and triumphant style at the start. Please observe the *ritardando* leading into measure 13. The melodic line beginning at m. 19 should be broad and flowing. Beginning at m. 27, the light and airy accompaniment parts should contrast with the flowing melodic parts. Please work for a proud and stately presentation at m. 43. The observation of the included dynamics in the section beginning at m. 51 will greatly enhance the musical effect of this section.

I hope that you and the ensemble enjoy rehearsing and performing **Intrepid Voyager**. Please contact me at my composer page at barnhouse.com with any comments or questions.

Best Wishes!
