2nd Bb Clarinet.....	6
Bb Bass Clarinet.....	2
Bassoon	2
Eb Alto Saxophone	6
Bb Tenor Saxophone	2
Eb Baritone Saxophone	1
1st Bb Trumpet	5
2nd Bb Trumpet	5
F Horn.....	4
Trombone	6
Euphonium (Baritone) BC.....	2
Euphonium (Baritone) TC.....	2
Tuba	4
Bells.....	2
Timpani	1
Percussion 1: Hi-Hat, Brake Drum, Ratchet, China Cymbal, High Cowbell or Agogo	5
Percussion 2: Triangle, Snare Drum, Bass Drum	4

ABOUT THE COMPOSER

Matt Conaway (b. 1979) is an Assistant Professor of Bands at Purdue University in West Lafayette, IN. He serves as Associate Director of the famed "All-American" Marching Band, directs the University Concert Band and Varsity Band, assists with the basketball pep bands as a director and staff arranger, and is the department's technical coordinator. Prior to this appointment, he served for ten years as the Director of Bands for the West Lafayette Community School Corporation, during which time the program received many state and national accolades for musical excellence.

His compositions for band range from very beginning through very advanced, based on his experience working with all levels of performers in grades 5-12. Matt is also an accomplished arranger, and has written for athletic bands at Indiana University, Purdue University, and many high schools throughout the Midwest. His arrangements have been heard on the national stage at multiple bowl games and college basketball tournaments since 1999.

After graduating from Woodhaven (MI) High School in 1997, he attended Indiana University – Bloomington, where he studied arranging with David Woodley. He received his Bachelor of Music Education with Distinction in 2001, and earned a Masters of Music degree from the American Band College of Sam Houston State University in 2010. Matt has been granted honorary membership in Tau Beta Sigma and Kappa Kappa Psi, and was recently inducted into the Gamma Chapter of Phi Beta Mu. He is also a member of NAfME, NBA, Indiana Music Educators Association, Indiana Bandmasters Association, and ASCAP. He is in demand as a clinician and adjudicator at concert band festivals and competitions throughout the Midwest.

PROGRAM NOTES

I have a fascination with machinery and its many sounds. Growing up near Detroit, I was never far away from the huge manufacturing centers of the auto industry. I work at a university renowned for its engineering programs, and mechanical studies are undertaken by hundreds of students. Plus, as a composer frequently taken by minimalist influences, there is almost a calming effect in hearing the interplay of so many contrasting rhythms and timbres; I am as fascinated with rhythmic textures as I am with melody!

This particular piece is not based on my experience with any particular workplace, but rather a general set of rhythms and sounds to create a machine-like effect.

REHEARSAL NOTES

- Long tones should not falter or lag, unless otherwise marked. Keep all the dissonance and extended harmonies intact.

- All parts are to be equally balanced in heavily layered sections. The exception to this would be in sound effect areas (such as m. 53 in the saxophones and brass, percussion at m. 63, etc.)

- **Factory Riffs** doesn't support a faster tempo than marked. Despite this being an overall quick piece, there are several times where a more relaxed cut-time feel settles in, and an over-aggressive tempo can destroy that effect.

PERCUSSION NOTES

- Despite all the toys and effects, only six players are required. If you need to eliminate a part, the bell part is doubled throughout (although it adds an extra metallic sound.)

- Balance between winds and percussion is challenging with so many active notes. The goal is to strive for color, not impact.

I hope you enjoy **Factory Riffs**; it was a great deal of fun to write!

This musical score page displays two systems of music for an orchestra and percussion ensemble. The top system (measures 13-17) includes parts for Flute (Fl.), Oboe (Ob.), Clarinets (1st Cl., 2nd Cl., Bass Cl.), Bassoon (Bsn.), Alto Saxophone (Alto Sax.), Tenor Saxophone (Ten. Sax.), Baritone Saxophone (Bari. Sax.), Trombone (Trom.), Euphonium/Bass Trombone (Euph. (Bar.)), Tuba, Timpani (Timp.), Bells, and Percussion 1 (Perc. 1). The bottom system (measures 13-17) includes parts for Percussion 2 (Perc. 2) and a China Cymbal with Snare Stick. The score features various dynamics such as *p*, *f*, *mp*, and *cresc.*. Measure 13 begins with a rest followed by eighth-note patterns from the woodwind section. Measures 14-17 show a crescendo across most instruments, with dynamic markings like *cresc.* and *div.*. The percussion parts feature rhythmic patterns, with Percussion 1 playing eighth-note chords and Percussion 2 providing eighth-note patterns. The score concludes at measure 17.
