### PROGRAM NOTES

**In Ages Past** explores historically significant aspects of the 20th century in a musical tribute to the past. Unique rhythmic elements built on the five-note motive of B-E-G-G-S (using the German "es" for "flat") can be heard at the opening and throughout the piece. In addition to western-theme references and a flowing chorale setting (St. Anne) over an aggressive ostinato, this piece has significant flare and unique musical flavor. Its driving percussive rhythmic elements and variety of styles provide a contemporary musical journey into the historic window of events **In Ages Past**.

### REHEARSAL SUGGESTIONS

Strive for a bold and dramatic statement of the B-E-G-G-S theme in the chimes and on the opening section in the winds and percussion. Emphasis should be placed on the **sfp** in the brass/percussion so the woodwinds can be heard on the runs in m. 3-7, leading into m. 14 with a broad *ritard*. The *Spiritoso* should be aggressive, with detailed focus on correct placement of the accents, especially in the measures with changing meter. Distinct shifts of musical mood should be achieved at m. 50 (dance-like) and m. 82 (western theme) to provide contrast. Following the broad *ritard* at m. 113, the upper woodwind ostinato (m. 117) provides a rhythmic foundation for the hymn tune chorale stated in the brass and lower woodwinds. Care should be taken to contrast distinctly between the legato chorale and the staccato ostinato figures. The **p** at 147 should be treated as a *subito p* to reinforce the sudden and dramatic change in tempo which sets up the energetic and robust concluding section.

### ABOUT THE COMPOSER

Ed Huceby is an arts consultant and freelance composer, arranger, conductor and clinician. His career has included roles in higher education and arts administration, most recently serving as President of Southwestern Christian University in Bethany, Oklahoma, until his retirement in 2014. Prior to his appointment at SCU, he was Associate Vice President for Academic Affairs and Professor of Music at Northeastern State University-Broken Arrow (OK). Huceby also served as an arts administrator for Tulsa Ballet Theatre, Inc., and holds the title of Emeritus Professor of Music at Northwestern Oklahoma State

University where he served for over two decades as Music Department Chairman and Dean of the Graduate School. He spent eight years teaching instrumental music in the public schools of Oklahoma, where his marching, concert and jazz bands won state and regional acclaim. His success in the public schools led him into the college teaching ranks where he became internationally recognized as an outstanding music educator and composer of almost 200 published works for concert and marching band. Ed's ability to write interesting and accessible instrumental music can be attributed to his experience at a variety of musical levels.

Huceby's performance background and experience is very eclectic, having been a member of a symphony orchestra (horn), a jazz band (trumpet), and a contemporary Christian quintet (bass guitar, keyboards and vocals), as well as having served regularly as a church organist and pianist. His outstanding contributions to the concert and marching band literature have played an important role in the development of the contemporary band repertoire.

Ed holds a bachelor's degree in music education from East Central University in Ada, Oklahoma, a master's degree in music education from the University of Oklahoma, and a doctorate in administration from Oklahoma State University with additional study at the University of North Texas. He has written music education articles for *The Instrumentalist*, *The American Music Teacher*, and *The Journal of the International Horn Society*, and has held memberships in Music Educators National Conference, Oklahoma Music Educators Association, Oklahoma Bandmasters Association, ASCAP, Phi Mu Alpha Sinfonia, and Phi Beta Mu, where he served as a member of the national board of directors and state chapter president. Huceby was selected as an "Outstanding Young Man in America," is listed in the "International Who's Who in Music," and was inducted into the Oklahoma Bandmasters Association "Hall of Fame" in 1996. He has created over 50 commissioned works and has served as a clinician, adjudicator and conductor for instrumental ensembles around the world, including Japan, Australia, Canada and across the United States.
