## About The Music

Admittedly I am slightly behind schedule writing this piece for my fourth grandchild, but it's always easier when they reach the age where every mood is expressed so dramatically in their everyday persona. My granddaughter Dylan is a "junior-fashionista"... She is invariably happy, spunky, loud, tom-boyish, and always laughing. And she loves to dress "Mis-matched fancy". Dressing herself every morning with an outfit in her own special style.

However, "Dress-up" outfits bring out something special. Dylan suddenly goes into "fashion model mode!" It is that particular face that inspired this piece. A face launching a true fashion model glare! Well, it's a photo she should live with for the rest of her life. That's what Grand Dads are good for!

## About the Composer
