### Program Note

Ask any member of a community band why they initially joined the organization and the most frequent response would be, "*I did it for the love of music and the desire to, once again, play my instrument.*"

The storied history of the community band movement has long been in existence, and its worldwide popularity is even more significant today than ever before. Many musicians, from every walk of life, have fostered the joy of self-fulfillment by joining an adult band. In addition, it has proven to be a wonderful time to meet new friends who share in the goal of achieving group success. The premiere of **May The Light Forever Shine** marked the 50th Anniversary of the Lima Area Concert Band, located in Lima, Ohio. It should be duly noted that, over the years, they have brought smiles to many faces and have faithfully represented their city and surrounding counties in a most glorious fashion.

Throughout the band's existence, countless musicians have participated, and several conductors have raised their baton. While family members made accommodations for weekly rehearsals, local residents demonstrated their appreciation for the band by attending a variety of great performances. Also, let us not forget the many city officials and community leaders who provided support for the band's cause of spreading good will. Everyone is remembered and their contributions not soon forgotten.

I am truly humbled to have been asked to write a piece that reflects the rich heritage of this highly touted organization. The opening section (*Con Energico*) is a reflection of their long history and the many people who reached out to provide support. The middle portion (*Espressivo*) is in remembrance of ALL the musicians who made lasting contributions to the band's legacy of accomplishments. The final statement concludes with a powerful ending that I sincerely hope will provide inspiration for future endeavors. With the band's continued dedication, I'm quite confident the light, that once sparked humbled beginnings, will forever shine for many years to come.
