## Sound Foundations Series

(Grade levels ½ - 1)

The Sound Foundations Series is carefully designed and written to serve the performance needs of the beginning band program. In addition to providing quality performance literature for your concert program, each title in the series provides an appropriate musical setting for the conductor/teacher to reinforce musical concepts and skills that have been addressed in the first year of instruction. Written at two grade levels (1/2 and 1), the Sound Foundations Series provides a variety of musical works that employ the note and rhythm sequence used in most band method books. The Sound Foundations Series is a sound fundamental approach laying the foundation for a sound future.

### Program Notes

**Snowflake Dance** incorporates both original music as well as musical references to "Up on the Housetop" and "Jingle Bells." Designed to capture the happy and joyous feeling of the holiday season, this work for young musicians was premiered by the composers' own beginning band students in 2018. Have fun listening to this holiday treat!

### Rehearsal Suggestions

It is highly suggested that the tempo is kept lively as marked. Make sure to follow the articulations closely, so the piece is performed lightly. Percussion parts should all be covered, as much as possible.

I hope you enjoy **Snowflake Dance**.
