Program Notes

Gather 'Round establishes a happy, joyous atmosphere with a truly sunny disposition. The "call and response" between the sections of the ensemble prevail before the plunger-muted trumpet takes center stage. Deft linear writing follows and provides an exciting dialog throughout the ensemble before the trumpet returns to shine above the final chords.

Rehearsal Notes

Keep the melody smooth and self-assured throughout this piece, with stop-time figures strong and confident. Dynamics are of paramount importance. The rhythm section bell-tones (m. 40, 79, 84, 88, and 100) should be brought out to enhance those moments.

The solo section was originally intended as a trumpet solo with plunger, enhancing the feel of the gospel swing style. Feel free to open up the solo section to anyone. If more than one soloist is featured, play the first note at 49 for each new soloists and cue backgrounds as desired.

I hope you enjoy **Gather 'Round**
