Rehearsal Notes

Bars 128 to 135 are to be played in a dated 2-beat style. Rhythm section parts should be played as written in this section.

The use of dynamics will greatly add to the effectiveness of your performance. Take care to ensure that they are observed throughout the band, including the rhythm section. Give particular attention to the *mp* dynamic markings followed by crescendos to *forte* at bars 9 and 120. Also, the *mp* marking at bar 128.

Bar 136 to the end is where - to quote Rich Matteson - you "Dump the truck!" and play out with the biggest sound possible.

I hope you have a fun time preparing and performing this arrangement.

About the Arranger

Paul Clark retired after teaching instrumental music in Iowa public schools for 32 years. He holds a B.A. in music education from the University of Northern Iowa, where he gained valuable experience in that school's distinguished jazz program. He is a member of ASCAP, and is in frequent demand as an adjudicator and clinician.

Paul has been an active composer/arranger with the C.L. Barnhouse Co. for four decades. Since his first published chart in 1973, his music has been popular with directors and students alike, and many of his charts are consistent best sellers with school jazz bands at all levels of experience.

As a performer on both piano and trumpet, Paul has appeared with Buddy Rich, Steve Allen, Bob Hope, John Davidson, and many others. He has also performed with numerous musical productions, and has arranged music for literally hundreds of music organizations, including the Louisville Symphony and the Texas Tenors.

In 2011, Paul was inducted into the Jazz Educators Of Iowa Hall Of Fame.

Recordings of many of Paul's jazz charts are available on the Walking Frog Records CDs "Have Yourself a Big Band Christmas: The Holiday Music of Paul Clark," and "Baby Drives a Fast Car: The Jazz Music of Paul Clark," performed by The Studio "A" Big Band.
