Program Note

Commissioned by the Teays Valley High School Jazz Ensemble from Ashville, Ohio - this piece was composed to commemorate a triumphant restart of live ensemble music after the inability to perform together during the pandemic. The school's mascot is 'Victor the Viking,' and the title pays homage to the glorious day when students finally returned to in-person classes following numerous months of online individual instruction. The original solos written were all composed with specific students in mind, and the composer would like to thank Emily Peart (Trumpet), Kyle Marks (Alto Saxophone), Liam Campbell (Trombone), Carson Forquer (Trumpet), Maleah Jones (Piano) and Nick Dye (Drum set) for being the first soloists to bring this piece to life! Teays Valley also has an award-winning Concert and Marching Band program, and director Stephanie K. Smith is an active, servant leader in the Ohio Music Education Association.

Rehearsal Suggestions

Based upon the Concert C minor blues scale, the repetitive nature of the tutti sections should assist in preparing this piece for performance. Care should be taken to perform all articulations as noted. This publication provides opportunities for alternative instruments to play any of the four written wind solos at bars 41, 49, 57, and 65. In choosing such soloists, avoid having to leave out any of the 'lead-in' bars for solos in cases where there isn't another section player to cover (bars 48, 56, and 64.). Soloists who have well-developed improvisation skills are encouraged to abandon the written solos if they so choose. In bar 68, the solo trumpet 'tremolo' can either be played as a true tremolo (with fingering 1 / 1-3) or the player may choose to use the flutter tongue technique. Trombone glissandos in bars 37- 39, and 73 - 77, should be on the shorter side to remain tasteful. In the event you would like to extend the drum set solo at bar 93 - feel free to do so as long as the solo ends with what is written in bar 96 to cue in the band.

About the Composer/Arranger

A native Ohioan, **Lisa Galvin** holds two degrees in Music Education from The Ohio State University, and recently retired after 30 years of successful teaching in the Reynoldsburg and Hilliard City School Districts. Her middle school and high school performing ensembles have been invited to perform at local, state and national venues, and they consistently received Superior Ratings at both District and State level events sanctioned by the Ohio Music Education Association. In 2014, Lisa was appointed to the directing staff of The Ohio State University Marching Band as Interim Co-Associate Director. She is a founding member of the Brass Band of Columbus, where she has maintained the Principal Horn chair for the past 38 years. She is also a founding member and Principal Horn with the Athena Brass Band, consisting of 35 women brass band professionals from across the United States, Canada, the United Kingdom and Japan.

Lisa's interest in music arranging and composition has steered her toward an active career of producing all types of music. Since joining the arranging staff of The Ohio State University Marching Band in 2008, her music has been featured in several bowl game appearances and popular half-time videos by the famed marching band. Mrs. Galvin also enjoys writing solo, ensemble and large group works for a number of middle school, high school, collegiate and community band programs, and she has served as a guest conductor and clinician for many bands across the state of Ohio. In 2009, Mrs. Galvin was asked to join the band staff of the newly-opened Hilliard Bradley High School in Hilliard, Ohio, where she was privileged to have two original compositions chosen as the school's Alma Mater and Fight Song "We Are Bradley." She has been commissioned for numerous compositions, and her works have been premiered at the International Women's Brass Conference and the Midwest International Band and Orchestra Clinic.

She has a number of band and string orchestra compositions published with the C. L. Barnhouse Company, and is in demand as a guest conductor, clinician and adjudicator. Lisa always enjoys hearing her music in performance, and would appreciate hearing from you when you program her music! Mrs. Galvin has served as an adjunct lecturer in Music Technology at Capital University and The Ohio State University, where she periodically taught graduate and undergraduate courses in Finale© and SmartMusic© software. Additionally, she has served the Ohio Music Education Association in a number of capacities.
