PROGRAM NOTE

First Things First is a fun blues-rock tune employing the first five notes learned in our beginning band. The combination of simple, yet infectious rhythms with the blues chord progression make this piece fun to play and perform.

NOTES TO THE DIRECTOR

First Things First is a very basic blues-rock tune that is playable with just the first five notes and quarter/eighth note rhythms. It is composed to be used as a first full band arrangement for beginning band.

The bass line is doubled in the clarinets to give the low brass a pitch reference. Quarter notes in the suspended (ride) cymbal, maracas and tambourine will help keep the beat steady.

I hope your students will love the catchy rock and blues feel. I wish you a great performance!
