PROGRAM NOTE

Santa has just received a new phone for the holidays! The elves are fascinated with the new technology and are having a great time taking “elfies” as they prepare for Santa’s big trip. Join us for the fun as we feature our percussion section while our elves capture the holiday spirit with their “elfie stick.” Be sure to smile at the end as we take our community’s largest holiday “elfie!”

NOTES TO CONDUCTOR

This arrangement of holiday favorites is written to provide a fun and interactive performance with your audience. I suggest you employ the talents of an outgoing and fearless personality in your band program. That outgoing personality can dress as their favorite holiday character and photo your musicians and audience during the performance. Note the whip effect in the Percussion 1 part that can be coordinated with photos throughout.

The arrangement concludes with a large audience selfie using our **Elfie Stick** kicking off the holiday season with smiles and sharable media. You may wish to stage the elf with the camera at the back of the stage to get that final “elfie” with the band and full audience in the background. Your students and audience will treasure that final photo! Enjoy!

Happy Holidays to all!
