PROGRAM NOTE

What does patriotic really mean? To be patriotic means to show respect, loyalty and love for your country. We hope to share our patriotic respect, loyalty and love through this musical performance. During the interesting twists and turns of this arrangement, see how many patriotic melodies you can recognize as we perform *Spangled*.

NOTES TO CONDUCTOR

Check the marked tempo and keep the pulse steady. Take advantage of the rit. each time it occurs.

Focusing on your students' ability to subdivide the beat during the introduction will help the tempo changes at measure 15 and measure 43 run more smoothly. The 8th note at 60 bpm becomes the quarter note at 120 bpm. Make your students aware of this rhythmic relationship.

Direct the timpanist to play very deliberately in measure 14. This is key in creating a powerful as well as deceptive send-off for the tempo change.

In measures 31-36, make sure the snare keeps the 16th notes very even. Note the snare accents are in unison with the basses.

In measure 43, please ensure everyone cuts off together on beat 3 in order to clearly establish the new tempo.

Be sure to balance the ensemble to the lowest sounding instruments. Please ensure the players know when they have the melody (or not).

Particular care should be given to all dynamics and articulations in order to boost the intensity and passion of this work.

Good luck! I hope you and your students enjoy this patriotic adventure.
