STEP ON IT
(YOU'RE DRIVIN' TOO SLOW)
COMP. & ARR. BY MIKE CARUBIA

NOTES TO THE CONDUCTOR

- 1) This composition should be played in a relaxed manner and with a little bouncy feel. Swing hard at Letter D and Letter F.
- 2) Letter F is Open for Solos. Each soloist should play the section two times with the background figure added on the second time. The soloists should choose sequences of several notes from the blues scale and use repetition to extend the solo.
- 3) Play it at the tempo marked and be sure that your students don't rush the tempo. Pay particular attention to the articulation marks which require short staccato notes and a laid back time feel.
- 4) The Piano part has chord symbols but it is best to play as written to avoid voicing clashes with the horn figures.
- 5) Be sure to insist that your students play the dynamic markings properly which will give life and expression to this arrangement.
- 6) Learning time is always hastened when students can hear the recorded example which can be found on the Smart Chart Music (smartchartmusic.com) or C.L. Barnhouse (barnhouse.com) websites.

I hope you and your students enjoy this composition..... Mike Carubia
