

## Program Notes

I have known these words for most of my life—my father, Sid Davis, published an arrangement of the hymn nearly 40 years ago, and I vividly remember hearing it sung for the first time. So when Barnaby asked for a piece that highlighted the debut of Lyyra, I reached for this text. If a mixed SATB ensemble was going to collaborate with an all-treble choir, I wanted to lean into images of angels as I wrote for two choirs, aiming for choir one to sound celestial. It is as though the call from the angels to love unconditionally begins and ends in the heavens.

### Text

More love, more love,  
The heavens are blessing,  
The angels are calling,  
O Zion, more love.

If ye love not each other  
In daily communion,  
How can ye love God,  
Whom ye have not seen?

More love, more love,  
Alone by its power  
The world we will conquer,  
For true love is God.

If ye love one another,  
Then God dwelleth within you,  
And ye are made strong  
To live by his word.

A musical score for a vocal or instrumental piece. It consists of six staves of music, each with a treble clef and a key signature of three sharps (F major). The time signature is 3/4 throughout. The music is divided into measures by vertical bar lines. The lyrics "lone by its power, the world we will con - quer, for" are repeated six times across the staves. The first five staves begin with a single note followed by a sixteenth-note pattern. The sixth staff begins with a sixteenth-note pattern. Measure 31 concludes with a forte dynamic (indicated by a large 'f') and a repeat sign, suggesting a return to a previous section.
