## ABOUT WARWICK CASTLE

Warwick Castle was established by William the Conqueror in the 11th Century on the River Avon. A stone structure was built on the site during the reign of Henry II.

With a long and colorful history, it is now a popular tourist destination.

In 1910 Ralph Vaughn Williams began editing a new edition of the *English Hymnal* with a goal of improving the musical quality of the hymn tunes. In addition to composing several tunes himself he asked several composers including his good friend Gustav Holst to contribute new melodies. Also, several folksongs were edited to serve as hymn tunes. Vaughn Williams used the folksong *The Plowboy's Dream* and titled it as *Forest Green*. This serves as the basis of the arrangement. The contrasting section at measure 41 is an up-tempo version of "Bedlam" from Cecil Sharp's *100 English Folksongs* (1916).
