DARK ILLUMINATION

Dark Illumination was commissioned by the Mona Shores Orchestra Parents Association and dedicated to the Mona Shores High School Orchestra students of Norton Shores, Michigan, and their director, Kelly DeRose. The title comes directly from the students' suggestions and reflects their musical ideas and interests.

This composition was originally written for full orchestra; however, I felt the music would translate well to string orchestra. It is very cinematic in nature, to reflect the suggestions of the students. The work begins with a simple yet haunting melodic idea in the first violins. The pulse quickens at bar 12 to establish a new sonic environment. The melody returns at bar 30 over the top of this pulse. A section at bar 46 follows with some interplay between *col legno* and *pizzicato* techniques. The music turns more passionate at bar 58 and builds to a big moment at bar 72.

The fast pulse returns at bar 73 setting up a presentation of the melody in the low strings in augmentation. The voices in the ensemble come together for a final arrival at bar 105. There is a postlude at bar 111 that ties up the different elements of the work into a dramatic ending
