## A Comprehensive Approach to Band Intonation

BRIAN BALMAGES AND ROBERT HERRINGS

♪ Comprehensive studies in **every major and minor key** featuring:

- Chromatic Intervals
- Interval Tuning
- Chorales that isolate the same pitch in every section
- Drone exercises in major and minor
- Descending triad exercises that explore major, minor and diminished chords

♪ All major and natural minor scales with suggested drone pitches or use the downloadable option.

♪ Over 30 chorales and block chord studies.

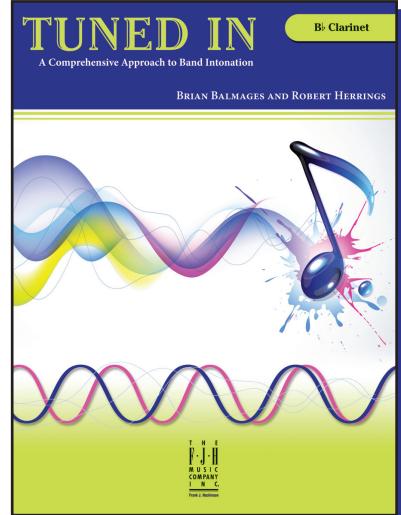

♪ **Whole instrument tuning** - several recommended tuning notes for every instrument to get a complete picture of intonation.

♪ Whole section and **whole band tuning chorales** - get a quick snapshot of your band's intonation and instantly hear any sections that are out of tune!

♪ **Free downloadable drones** in every key for directors who do not have access to more expensive solutions or need an "on the go" option!
