Let All the World in Every Corner Sing

Let all the world in every corner sing,
my God and King!

The heavens are not too high,
God's praise may thither fly;
the earth is not too low,
God's praises there may grow.

Let all the world in every corner sing,
my God and King!

The church with psalms must shout:
no door can keep them out.
But, more than all, the heart
must bear the longest part.

Let all the world in every corner sing,
my God and King!

-George Herbert (1593-1633)
