Leave the Cowbell Alone!

by Brad Ciechomski

First Place for Jazz - Charts

THE COMPOSER

Brad Ciechowski (b. 1959) received his bachelor's and master's degrees from The University of New Hampshire, where he studied composition with Andrew Boysen Jr. After a 39-year career teaching middle school, he is now retired. Brad was the Director of Bands at Harrison Middle School in Yarmouth, Maine, where he taught instrumental music in grades 4–8. During this time, Brad was chosen as “Teacher of the Year” and was one of 51 educators in the country to receive the American Star of Teaching.

As a widely-published composer, Brad has received commissions for concert and jazz bands at every grade level, elementary through college. Aside from composing, Brad is active in New England as a clinician, adjudicator, and guest conductor at district and state music festivals and competitions.

A performer at heart, Brad stays busy as a freelance drummer with local, regional, and national artists in the greater New England area, appearing on stage with jazz greats such as Clark Terry, Mel Torme, Bob Mintzer, New York Voices, Wayne Bergeron, Conrad Herwig, John Faddis, Eric Marienthal and Jeff Coffin, to name a few. He has even rocked out with David Crosby of Crosby, Stills and Nash, as well as backing up comedian icon, Joan Rivers.

Brad lives in South Portland, Maine, with his bass playing wife. When not busy with music, you'll find him out on the Atlantic in his boat, *Sea Major 7*.

THE COMPOSITION

Leave the Cowbell Alone! is a solid, funky rock tune perfect for any developing jazz ensemble. Along with playable ranges and rhythms, this chart has a strong rhythmic groove and an accessible solo section with plenty of room for multiple players to explore and expand their skills over a comfortable chord progression.

The A theme at bar 5 allows saxes to lock in and sound phat. Brass punctuation, including glissandos, adds character to the infectious groove before heading to the bridge at bar 21. Here, the melody shifts to the lower voices in the band: tenor and baritone saxes, trombones, horns, and vibes. Bar 29 offers a slow build to the recap of the main theme before a chromatic climb to the solo section. The bridge returns at bar 59, leading to one more recap in C major, winding up with a final chromatic climb to the ending.

Leave the Cowbell Alone! begs for some cowbell! Resist the temptation and leave that cowbell alone! Or, for some on-stage humor, use a teacher or principal on cowbell who tries to play but always gets told, "Not yet!!" Have some fun and enjoy this funky chart.

All charts in the *First Place for Jazz* series feature flexible instrumentation. They can be performed by the full jazz ensemble, or will sound full and complete with as few as nine players: Alto Saxes 1 and 2, Tenor Sax 1, Trumpets 1 and 2, Trombone 1, Piano, Bass, and Drums. Parts are also included for: Flute, Clarinet, F Horn, Tuba, and Baritone T.C.

IMPROVISING SOLOS ON LEAVE THE COWBELL ALONE!

Improvisation is the essence of the jazz experience, and students should be encouraged to improvise solos. The solo section for *Leave the Cowbell Alone!* is found in bars 49–58. Students can improvise a solo using the notes of the concert B \flat Blues scale. For soloists who wish not to improvise, there is a suggested solo provided in all of the parts. It contains color tones that are not a part of this scale, but that may be added to any improvised solo.

Remember that both the suggested solo and the scale are mere starting points for improvisation. Any instrument can solo, and the solo section can be repeated as many times as necessary. Backgrounds can be cued at any time.
