TO THE DIRECTOR

This piece will provide developing bands with the opportunity to learn to play a straight-ahead swing chart in a minor mode. A strong sense of time throughout from everyone in the band is essential. Pay close attention to articulation markings as well.

Players should always pay attention to where the primary melodic material is as it moves from section to section. Balance is important.

The solo section from measures 43-76 may be opened up for as many solos as desired. Written solos are provided, but improvisation should be encouraged. The soloist should tacit from measures 59-65 where the ensemble plays.

The full band returns at measure 77 to take the chart out, with a slight ritard in measure 96.

SoloMate recordings are available at kendormusic.com for new Kendor and Doug Beach releases. This innovative resource lets students practice their solos by downloading professionally-recorded rhythm section accompaniment tracks. A full recording of this chart can be downloaded at www.kendormusic.com.

In addition to being one of the core staff writers, he is also responsible for many of the decisions regarding the company's musical direction. With over 125 compositions to his credit, George is one of the most active writers in jazz education today.
