TO THE DIRECTOR

Here is a tune that the players and audience will love. All of the horns play the theme at measure 5, keep the ensemble light throughout this section. Beginning at measure 21, all brass punches must be nice and crisp. The fanfare interlude at measure 37 should be balanced so that the trumpets are not buried.

The fall at measure 45 is played the first time only. All other backgrounds may be cued as desired. This section may be opened up for as many solos as you wish. The interlude at measure 61 can be used to send off the next soloist.

Following the final solo, proceed to the sax soli at measure 70. Good balance is essential here. The full ensemble takes the chart out, be sure that the last chord is played with a nice "fat" interpretation.

SoloMate recordings are available at kendormusic.com for new Kendor and Doug Beach releases. This innovative resource lets students practice their solos by downloading professionally-recorded rhythm section accompaniment tracks. A full recording of this chart can be downloaded at www.kendormusic.com.
