TO THE DIRECTOR

The original Stephen Foster waltz is refitted here as a medium-bright tempo samba in 4/4 time. Great care should be taken during rehearsal in the introduction, as there is a fair amount of unison and odd-length phrases. Pay close attention to the number of dramatic dynamic shifts occurring throughout the arrangement.

The melody and first improvised solo are scored for soprano saxophone and should follow the chords strictly. The piano is then featured, beginning as an open solo which segues directly back to full trio/original samba tempo. The piano solo can go far afield harmonically, coming back to the specific chords when joined by the bass and drums.

The two soloists play a written duo at 341 based on the original arrangement by Foster published in 1865. Make sure this section captures the old-fashioned waltz style of the day, especially in the piano accompaniment.

SoloMate recordings are available at kendormusic.com for new Kendor and Doug Beach releases. This innovative resource lets students practice their solos by downloading professionally-recorded rhythm section accompaniment tracks. A full recording of this chart can be downloaded at www.kendormusic.com.
