TO THE DIRECTOR

Set in a bright swing style, the rhythm section should lock in and hold the tempo throughout. As always, attention to articulations and dynamics are important to the success of the performance.

This chart features Kendor Konvertible instrumentation which allows it to be played by as few as 9 players, up to a full group instrumentation. Optional parts are provided for flute, clarinet, horn in f, tuba and vibes.

The solo section at measure 37 can be played by any soloist, with solo sheets provided in all keys which includes a sample written solo and scales that can be used to encourage young players to create their own solo. Background figures may be cued in and out as desired.

SoloMate recordings are available at kendormusic.com for new Kendor and Doug Beach releases. This innovative resource lets students practice their solos by downloading professionally-recorded rhythm section accompaniment tracks. A full recording of this chart can be downloaded at www.kendormusic.com.
