## A NOTE FROM THE COMPOSER

Thank you for performing my music. A fully-produced, inspiring accompaniment recording is available for this song at [pinkzebramusic.com](http://pinkzebramusic.com).

If you perform this song during December, you may change the first line from "When the winter snow..." to "When December snow..." if you wish. I did not want to limit this context of this song to December only, so I chose the "winter snow" lyric. However, I think "December snow" works very nicely for a performance in December, so please use it if it is appropriate.

If you enjoyed performing this song please consider posting a review. I am a completely independent composer and music producer and positive reviews are extremely helpful to me. Enjoy the music!
