A NOTE FROM THE COMPOSER

Thank you for performing my music. A fully-produced, inspiring accompaniment recording is available for this song at pinkzebramusic.com.

If you perform this song during December, you may change the first line from "When the winter snow..." to "When December snow..." if you wish. I did not want to limit this context of this song to December only, so I chose the "winter snow" lyric. However, I think "December snow" works very nicely for a performance in December, so please use it if it is appropriate.

If you enjoyed performing this song please consider posting a review. I am a completely independent composer and music producer and positive reviews are extremely helpful to me. Enjoy the music!
