Gloriam

By Randall D. Standridge

Program Notes

When I was first approached about this commission, the request was clear:
"We want a showstopper."

Challenge accepted.

Gloriam is a blazing-fast, multi-meter concert work commissioned by the University of Detroit Jesuit High School and Academy Symphonic Band and their director, Christopher Charboneau. The piece is dedicated to Fr. Karl Kiser, S.J., who served as the school's President from 2002–2016. It was written to honor his legacy, his leadership, and the spirit of excellence he helped inspire in generations of students and musicians.

Right from the downbeat, this piece comes out swinging. With rapid meter changes, propulsive rhythms, and intense technical demands, **Gloriam** is designed to push your ensemble—and your audience—into high gear. Think of it as part fanfare, part thrill ride, and part musical fireworks show.

While the technical difficulty makes it a great fit for advanced high school or university-level groups, the musical payoff is just as important: soaring melodies, layered textures, and percussion that doesn't just support the band—it drives it like a heartbeat on fire.

There's no slow middle section. No soft fade-out. Just raw energy, musical precision, and a lot of notes flying very fast in very exciting directions.

Use it as an opener. Use it as a closer. Use it when you want your audience to sit up straight and *really* pay attention.

Because **Gloriam** doesn't whisper.

It SINGS.

Rehearsal suggestions

- The tempo of this work is critical to its character. When planning your preparation, make sure to allow time for proper technical development to achieve the written tempos, lest the work come off as "boring."
- Dynamics should be noticeable and taken to extremes.
- Percussion should be on the higher end of dynamic balance. Do not hide them.

About the Composer

Randall Standridge (b.1976) received his Bachelor's of Music Education from Arkansas State University. During this time, he studied composition with Dr. Tom O'Connor before returning to Arkansas State University to earn his Master's in Music Composition, studying with Dr. Tom O'Connor and Dr. Tim Crist. In 2001, he began his tenure as Director of Bands at Harrisburg High School in Harrisburg, Arkansas. He left this post in 2013 to pursue a career as a full-time composer and marching arts designer.

Mr. Standridge's music is performed internationally. He has had numerous works selected for the J.W. Pepper's editor's choice. His compositions Snake Charmer, Gently Blows the Summer Wind, and Angelic Celebrations have been included in the "Teaching Music Through Performance in Band" series. He has had numerous works performed at the prestigious Midwest Clinic in Chicago, Illinois. The Arkansas State University Wind Ensemble premiered his work Art(isms) at the 2010 CBDNA conference in Las Cruces, New Mexico, and his work Stonewall: 1969 was premiered at the National LGBA conference in 2019. His Symphony no.1: A Ghost Story was premiered in 2023. In addition, Mr. Standridge's "unBroken Project," a musical initiative about mental health, has received widespread acclaim for its musical content and for providing opportunities to normalize discussions about mental health for music students and audiences.

In addition to his career as a composer, Mr. Standridge is the owner and editor of Randall Standridge Music, LLC and Grand Mesa Marching. He is in demand as an arranger/designer for the marching arts. He lives in Jonesboro, Arkansas, with his husband, Steven, and their very, very spoiled pets.
