# Performance Notes

*To the Ocean* expresses a sea-faring voyage filled with excitement and hope. The ocean changes its look in different situations, which is shown in the varied harmonic progressions. The music changes the colors and atmosphere like the ocean. Students will use staccato and legato in various scenes of the music in the often neglected key of A major. Enjoy sailing across the ocean in this musical journey around the world. Other pieces by Yukiko Nishimura about the journey to the sea are *Sailing!* and *Blue Water*.
