## About the Composition

The piece opens with the misty lake-shore dawn, evoking memories of the “Lost Nation,” the Erie nation which made the lake shore their home. The music evokes a slow dance honoring the new day. A lively dance follows a celebration or the dancing waters of the great lake.

The Erie, or “Cat people,” were a Native-American people historically living on the south shore of Lake Erie. In the sixteenth century their villages were burned and peoples destroyed by the Iroquois as punishment for aiding the Huron, the traditional enemy of the Iroquois.

Note: The maracas rolls should be played with a swirling motion holding the handles with the ball down.

The piece was commissioned by the Madison, Ohio Band Patrons and the Perry Band Boosters, Lake County, Ohio, for the Perry High School Band and the Madison High School Band.

The Carl Fischer Performance Series for Band has five performance levels to provide you with a highly focused repertoire for your band. Each level has been carefully designed and graded, within specific guidelines, so that each piece in a level will work with your band when it achieves that level. Each level is also color coded for ease in finding the series that will be appropriate for your band, as it develops.

Within each grade level, you will find selections in a variety of styles and genres designed to meet all of your performance and teaching needs. The Carl Fischer composers and arrangers are some of the most respected writers in the business. Their music is dynamic, fresh and eminently worthy of your attention.
