NATIONAL CATHOLIC BAND ASSOCIATION COMMISSIONING CONSORTIUM 2018-19

We present to you the 6th work of the National Catholic Band Association's Commissioning Consortium series of which its goal is to not only enhance the international repertoire of hymn-based or sacred band arrangements, but to make affordable a school's participation in such a project. Along with supporting the creation of new arrangements that may be utilized in both worship and concert settings, each school band's first performance is considered a premiere of the work.

We are pleased to have award winning composer Dr. Quincy Hilliard as this year's consortium composer. He is composer in residence and the Heymann Endowed Professor of Music at the University of Louisiana in Lafayette. Dr. Hilliard's stature as an outstanding conductor and educator is apparent by the fact that he has been invited to all parts of the world to conduct, adjudicate festivals and demonstrate effective teaching techniques. Special thanks to Marc Blanchette, Music Director at Mount Saint Charles Academy in Woonsocket, Rhode Island, for his dedication as coordinator of this project.

Founded in 1953 at the University of Notre Dame, The National Catholic Band Association has been supporting the particular needs of Catholic school bands and encouraging the formation and growth of band programs. More information on the NCBA is available at www.catholicbands.org.
