## ABOUT:

Gliding high above the mountains, Soaring Eagle takes the ensemble to new heights! Its extended register and independent lines are the perfect challenge for your students, and its majestic writing will keep them enthralled time after time!

### FROM THE COMPOSER:

In the key of D and a moderate cut time, Soaring Eagle images a magnificent eagle soaring from the mountain peaks. Much of the piece is in the higher register and there is very brief shifting in the first violin and cello parts. Each part is independent, and the melody moves around the orchestra fluidly. Soaring Eagle makes a nice diverse piece to a concert or contest program.
