Program Notes

The powerful writing of this majestic work for elementary band allows young students to express their energy and enthusiasm through strong musical passages. The emphatic and unrelenting rhythms create the ominous atmosphere one would experience by the commanding image of this mighty warship as it slowly comes into view. Unyielding and incessant, it draws ever closer, bringing a full array of musical weaponry to bear.

About the Composer

Deontrae Peyton (b. 2001) has had a successful beginning as a composer. Inspired by playing a commissioned work at a band clinic, he started writing music. Now several years later, with numerous commissions and performances under his belt, he has achieved his dream of becoming a published composer. He currently studies music education at Mississippi State University and is excited for what the future will bring.
