

# Welcome to Second Grade!

## Hi! I'm Mr. Thompson!

I am thrilled that you will be in my class this year! We are going to learn so many new and wonderful things together. Second grade promises to be very exciting as we will learn about plants and animals, landforms, addition of large numbers, and lots more! I hope you had a fabulous break, and I can't wait to meet you on the first day of school!

## Want to Know More About Me!

When not teaching I love reading, hiking, fishing, and spending time outdoors with my family. Here are a few more of my favorite things!

## Dear Second Grade Parents,

My goal is to make success obtainable for every student that enters my classroom. The environment I try to create allows students to feel safe, inspired, and confident in their own abilities. By focusing on each child's individual needs, learning styles, and strengths I help them realize that they can succeed in achieving not just their educational goals, but the ones they set for themselves outside of the classroom.

### Please Bring . . .

One box of 24 crayons

One 3 pack of glue sticks

One plastic pencil box or case with a latch to close

One 4 pack dry erase markers

Please label all items with your student's name. Thank You!
