

Attention: Darrenkamp's and Musser's Shoppers

Please support Martic Elementary School by registering your Gold card for the Community Rewards for Education Program. This program is open to anyone in the Martic Community. Please invite family, friends and neighbors to sign up as well. Additional forms are available in the school office.

By enrolling in this program, a portion of every dollar spent is rewarded back to the Martic Elementary School Parent/Teacher Organization. These funds are used to directly benefit your children through new playground equipment, classroom purchases, assemblies, and other various events that are provided to you and your children by the PTO.

PLEASE NOTE: This is FREE money to the school by simply registering your cards!

You may register for ***both*** stores by filling out the reverse side of this form and returning it to the school office.

If you prefer to sign up online, you may do so by simply visiting www.mycommunityrewards.com and registering your card for ***each*** store. You must register Darrenkamp's and Musser's separately, but it only takes a minute to do. Please be sure to select Martic Elementary as your organization when registering.

Very seldom are we offered free things in life. We thank you for your time and support so that we may take full advantage and gain the most out of this program for the benefit of our children.

Kindest Regards,

Melissa Anderson
Martic Elementary PTO

&

Michele Transue
Martic Elementary Acting Principal
