Carrots are good for your eye

Are good for your body

Roots grow in the ground

Rabbits like to eat them

Over salads are so good

They grow in the garden

Amazing

Sweet and delicious

Tart, not too much

Reddish and Juicy

Awesome to me, but not to everyone

Watery too, and don't forget

Bumpy, you can

Eat them on picnics They're

Ripe and fresh too,

Rinse before eating,

In the fruit family

Eat them with ice-cream or maybe just p

Strawberries are tasty, try them today!

My tomato my tomato red d.
round He's so big He weighs 6 p
He's juicy He's sweet He's
treat He goes with the
sandwiches He's in the catches
I love but I can't eat
my tomato he's so dear to
me I love my tomato
