

Help your patients get access to BOSULIF® (bosutinib)

30-day free trial offer of BOSULIF

for your patients initiating therapy*

To order a 30-day free trial offer:

1. Attach the voucher to a new 30-day prescription for BOSULIF.

2. Fax the voucher and prescription to **1-855-578-1686—do not submit to a pharmacy.** Please include patient's personal information (name, address, phone number, and date of birth), along with physician's information (name, office address, phone number, and signature).

3. The 30-day supply of BOSULIF will be shipped directly to the patient once the request is approved and processed.

To continue the patient on BOSULIF:

4. Write a separate prescription to be filled at the specialty pharmacy of choice. Please consider the time needed for coverage verification when writing the second prescription.

The list of specialty pharmacies that stock BOSULIF can be found at www.BosulifHCP.com/specialtypharmacies.

*Limits, terms, and conditions apply. Please see full list of terms and conditions at right.

1-MONTH (30-DAY) 500-, 400-, or 100-mg TRIAL VOUCHER

Only new patients may use this voucher. By redeeming this voucher, you certify that you are not currently using BOSULIF. Only 1 voucher per person may be redeemed under this program. This voucher is not transferable. An original voucher and a valid prescription must be presented.

This voucher is only valid with the program administrator—it cannot be redeemed at a pharmacy. No claim for reimbursement for product dispensed pursuant to this voucher may be submitted to any third-party payor, whether private or government payor. This free trial voucher is not valid where prohibited by law.

This free trial is not health insurance. Offer good only in U.S. and Puerto Rico. Pfizer reserves the right to rescind, revoke, or amend this free trial voucher without notice. This free trial voucher expires 3/31/2019. Typical savings with the card for a 1-month prescription of BOSULIF, for a commercially insured patient, with a maximum out-of-pocket limit is estimated to be \$90. For a commercially insured patient with co-insurance requirements without a maximum out-of-pocket limit, savings could be greater and depend on the benefit design.

EXPIRATION DATE: 3/31/2019.

Terms and Conditions for Trial Voucher Program

The trial voucher is not a prescription for BOSULIF beyond 1 month and there is no obligation to continue BOSULIF. **To continue a patient on therapy, a separate prescription must be written to be filled at a participating specialty pharmacy.**

Patients may be offered enrollment in the trial voucher program exclusively through their healthcare provider.

This offer is valid once per patient for a 1-month (30-day) 500-mg, 400-mg, or 100-mg supply through 3/31/2019.

By enrolling in the 1-month trial voucher offer for BOSULIF, you acknowledge that you currently meet the eligibility criteria and will comply with the Terms and Conditions described below:

1. Only new patients may use this voucher.
2. By redeeming this voucher, you certify that you are not currently using BOSULIF.
3. Only 1 voucher per person may be redeemed under this program.
4. This voucher is not transferable.
5. An original voucher and a valid prescription must be presented.
6. **This voucher is only valid with the program administrator—it cannot be redeemed at a pharmacy.**
7. No claim for reimbursement for product dispensed pursuant to this voucher may be submitted to any third-party payor, whether private or government payor.
8. This free trial voucher is not valid where prohibited by law.
9. **This free trial is not health insurance.**
10. Offer good only in U.S. and Puerto Rico.
11. Pfizer reserves the right to rescind, revoke, or amend this free trial voucher without notice.
12. This free trial voucher expires 3/31/2019.
13. Typical savings with the card for a 1-month prescription of BOSULIF, for a commercially insured patient, with a maximum out-of-pocket limit is estimated to be \$90. For a commercially insured patient with co-insurance requirements without a maximum out-of-pocket limit, savings could be greater and depend on the benefit design.
