PETITION SUMMARY

The Residential Parking Permit Program was established in accordance with Bill No. CB-40-201 “for the provision of parking permit areas designated by petition of the residents”. This was accomplished by repealing and reenacting Subtitle 26. Vehicle and Traffic Section 26-101 and by adding Sections 26-141.01. It is required that this petition has the signatures of a minimum of 60% of the residential property owners or lease holders in the proposed parking permit area. Each signature is a vote in favor of establishing the residential parking permit zone. One signature per address. A completed petition must have a minimum of 60% of the residential property owner or lease holder signatures that possess a valid Maryland vehicle registration.

Exceptions: Vehicles in this category are eligible to apply for a two year parking permit. Vehicles registered to military personnel with out-of-state tags, a Federal, State, County or other governmental vehicle and a student vehicle with out-of-state tags temporarily residing in the Residential Parking Permit area. The resident who drives a work vehicle home with in-state or out-of-state tags is eligible for a two year parking permit. The owner of all other out-of-state tags has sixty days (60) to come into compliance and obtain Maryland registration. The petition must be submitted to the Revenue Authority of Prince George’s County for review and approval.
