

Fireside Song

Music - "Maryland"

Words by BRUCE K. BROWN

We gath - er round the fire - side bright. In bonds of broth - er -
Our cir - cle chang - es with each year. The broth - ers come, and

hood to - night And lift our voi - ces lus - ti - ly. To
dis - ap - pear But still the fire is gleam - ing bright Up -

sing of our Fra - ter - ni - ty Long may she live and
on the chap - ter hearth to - night. Re - mem - ber that the

may there be. True fel - low - ship e - ter - ni - ty Once
might - y throng Of broth - ers long since ab - sent gone Re -

more we pledge our loy - al - ty Phi Kap - pa Tau Fra - ter - ni - ty
tain their love and loy - al - ty To our be - loved Fra - ter - ni - ty
