

Water and Sewer Design Manual V3.2 Changes

This update to the design manual is to incorporate further changes and corrections from V3.1

- Contact Information was returned to the Design Manual throughout.
- Added contact information to request a water service list in [Section 4 B.11.a.1](#).
- Increased lateral length for quantities to 6 ft in [Section 5 J.2.b](#).
- Utility order [Section 6 D](#) was reorganized.
- PGW submittal procedure in [Section 6 D.2.a.3](#) has been updated to account for the altered PGW procedure. See Appendix VI d for the PGW reviewer map.
- An additional Corrosion Control contact, UTRS, has been added in [Section 6 D.4.a.3](#).
- PennDOT submittal was added for any jobs located in a state route. PennDOT submittal information to [Section 6 D.6.a](#), and the Pre-EPS Submittal and Instructions were added to [Appendix IVi](#).
- Added Right of Way review to [Section 6 D.11.a](#) for any jobs where the curblines moves horizontally.
- Review Expectations from submittals added in [Section 6 E](#).
- Changed Roadway Grading Plans to be billed based on a linear foot basis in [Section 8 F.1](#)
- In [Appendix Ia](#), added text about sending out for Borings if GSI work is included on the project.
- Corrected Contact Information for ADA coordinator in [Appendix IVc](#).
- [Appendix VI](#) has also had the contact information returned to the document.
- Contact Page has been changed to Comment Page throughout.
- Quantity Verification has been made consistent throughout.
- [Appendix IIc](#) and [II d](#) have had GPIS Numbers added to the title blocks.
- Added version number and publication date to the header of the Design Manual.

Additionally, these contacts have changed:

- PWD Collector System Chief is now Benjamin Jewell.
- SEPTA Utility Review contact is now Daniel Corrigan. The submittal has been changed to email only.
- Philadelphia Fire Department Utility Review contact is now Lt. Gregory Brown.

Website Changes

- Added form for PennDOT Pre-EPS Submittal
- Added form for Quantity Verification
- Removed Contact List
- Changed Contact page to Comment page
- The Navigation and Printing Guide has been updated to account for the manual updates.
