

# Water and Sewer Design Manual V3.9 Changes

This update to the design manual is to incorporate changes and corrections from V3.9

- Appendix III has been reordered.
  - Appendix IIIb is now Sewer Quantities Sheet
  - Appendix IIIc is now Green Quantities Sheet
- A new spreadsheet has been added as Appendix III d, GSI Preliminary Cost Estimate. The excel file is available on the website at [www.phillywaterdesign.org](http://www.phillywaterdesign.org).
