Here, in this quirky, entertaining song, the protagonist (Arjun Kapoor makes a special appearance here) compares his lover's kiss to chyawanprash, explaining how it keeps him healthy and strong while borrowing some words from various chyawanprash ads as well and building on them. Bhavesh Joshi Superhero his theaters on May 25. Chavanprash, a much anticipated song from Bhavesh Joshi Superhero, has just fallen on the internet and features Harshvardhan Kapoor along with cousin Arjun Kapoor. Peppy's number was written by Amitabh Bhattacharya, voiced by Divya Kumar and composed by Amit Trivedi. Visuals are Arjun Kapoor wandering around with Anusha and Shibani Dandekar in shady places. Meanly, we also have footage of Harshvardhan fighting random gorillas in a boxing ring. A slimy 'item number' in every sense of the word, the song's lyrics are just as dirty. They say something like, 'Tere chumme me Chavanprash hai. While the composition and lyrics can still be passed due to the addition of commercial value to the film, what is really appalling is the song Arjun Kapoor and Anusha Dandekar is still from the song. There are a few questionable shots of Arjun shimmering amid scantily clad beauty, but it gets too over-the-top at some points. There comes a scene where while mouthing Meri tandoraasi ka yahi raaz hai (That's why my good health), Arjun is actually lifting Anusha's body like a dumbbell with his hands; Then there's another shot, where Shibani sits on Arjun's shoulder while the other women massage him comfortably. While Arjun is clad in top-toe cheat-printed outfits, Shibani and Anusha are dressed in glittering all silver and gold outfits. The song's dubious vibes are somewhat even reminiscent of Anusha's previous I Hate You Like I Love You and Dev-D's Emotional Attyacker. Arjun Kapoor and Shibani Dandekar is still from the song. Pragati Joshi and Arohi Mishre also lent their voices to the song with Divya. Helmed by Vikramaditya Motwane, Bhavesh Joshi Superhero is funding the Phantom Movies banner. And given the sound albums that featured in previous directors Motwane (Udaan, Lootera and Trapped), the first song Bhavesh Joshi Superhero certainly did not live up to the standard. Speaking about the concept of the song, Arjun told IANS earlier, it's Fight Club meets Blade Runner meets Madmax meets Chhino Chanel. It's just crazy. It's the right male item song after years and I hate to use the word 'item', but that's really an item. The setting is an item. Better than the other chummal! Bhavesh Joshi Superhero is the story of an ordinary man who turns into a masked vigilante and opposes ending crimes in the city. The film will go on screens on April 25. Here's hoping for better music from Bhavesh Joshi Superhero in the future. ↻ Indian Express is now on Telegram.
