Here comes Santa Claus, here comes Santa Claus Right down Santa Claus Lane Vixen, Blitzen, all his reindeer Pulling on the reindeer Bells ringing, kids singing Everything is cheerful and clear Hang stockings and say prayer 'Cause Santa Claus is coming tonight Here comes Santa Claus, here comes Santa Claus Ride down Santa Claus Lane He has a bag that is full of toys For boys and girls again Hear those sleed bells jingle jingle Jump into bed and cover your head Because Santa Claus comes here tonight Here comes Santa Claus, comes Santa Claus riding along Santa Claus Lane He doesn't care if you're a rich or poor guy He loves you anyway Santa knows we're God's kids who are doing everything right Fill your hearts with Christmas cheer because Santa Claus is coming tonight, here comes Santa Claus Ride Down Santa Claus Lane He comes around when the chimes ring it's Christmas morning again Peace on earth will come to all if we just follow the light Let's thank the Lord above 'Cause Santa Claus will come tonight 'Cause Santa Claus is coming tonight Вот едет Санта-Клаус, вот едет Санта-Клаус, Своей дорогой едет. Виссен, Блитцен и все его оленя, Тянут поводья, Колокольчики звенят, дети поют, Всё восхитительно и ярко. Повесь свой носок для подарков и помолись, Ведь Санта-Клаус приезжает этой ночью. Вот едет Санта-Клаус, вот едет Санта-Клаус, Своей дорогой едет. У него мешок с игрушками Для мальчиков и девочек снова, Слышишь, как колокольчики на санях звенят, Что за прекрасный вид! Прыгай в постель и накройся с головой, Потому что Санта-Клаус приезжает этой ночью. Вот едет Санта-Клаус, вот едет Санта-Клаус, Своей дорогой едет. Ему всё равно, богатый ты мальчишка или бедный, Он любит вас всех одинаково, Санта знает, что мы дети Господа. И это всё делает правильным. Наполните свои сердца Рождественским весельем, Потому Santa Claus is coming tonight, Here comes Santa Claus, here goes Santa Claus, his path goes. It will come when the bell rings, on Christmas morning the rest will fall to the ground again, for all of us, if we follow the light. Let's praise the Lord in Heaven, because Santa Claus will come tonight, because Santa Claus will come tonight. Composers: Gene Autry, Oakley Haldeman. Elvis Aaron Presley (born January 8, 1935) was an American singer and actor. Considered one of the most important cultural icons of the 20th century. Presley is one of the most famous and influential musicians of the 20th century. Commercially successful in many genres, including pop, country, blues and gospel, he is the best-selling solo artist in the history of recorded music. At the age of 36, he won three grammy awards, a Lifetime Achievement Grammy Award and was inducted into several music halls of fame. Accompanied by guitarist Scotty Moore and bassist Bill Black, Presley pioneered rockabilly, uptempo, backbeat-driven fusion of country music and rhythm and blues. Presley's first RCA single Heartbreak Hotel was released in January 1956 and became the number one hit in the United States. With a number of successful television appearances on the network and chart recordings, he became a leading figure in the newly popular sound of rock and roll. His energized interpretation of songs and sexually provocative performance style, combined with an extraordinarily powerful mix of influences across color lines during the transformative era in race relations, made him immensely popular and controversial. Years of prescription drug abuse seriously endangered his health and he died suddenly in 1977 at his Graceland estate at the age of 42.
