Obx fishing report avon

Standing on the beach with your feet in the sand and a few lines in the water can make for a really great way to spend a few days on the North Carolina coast or the Outer Coast. Nc's outer cans have always been home to some of the best surfing fishing around, but getting inside the scoop with a good report of surfing fishing before you start casting can mean the difference between a good weekend and a big weekend with a cooler full of fish. We scoured the internet and asked our friends for their trusted sources to provide you with some of the best NC surfing fishing reports around. We are always looking for better reports on surf fishing, please be sure to attack us line if you see a good report we missed. - Hot Times - OK Chances OF VIEWS JAN FEB MAR APR MAY JUNE JUL TUE NOV DEC Black Drum Bluefish Kambala Red Drum (also of them Redfish, Puppy Drum) Spanish Mackerel Sea Mullet (as well as Whiting) Spotted Trout Striped Pool Great Day here to go out and enjoy our island.
