Cohort Two Opens Spring 2022 - Visit [www.aacnnursing.org/DLI](http://www.aacnnursing.org/DLI)

*For academic nursing leaders committed to diversity, equity, and inclusion*

The central focus of the Diversity Leadership Institute is to provide an overview of the evolution of diversity and inclusion and the role of Diversity Officers in academic nursing and nursing practice. This innovative program frames diversity within the context of higher education and academic nursing while presenting high-involvement diversity practices in teams and leaders.

The program will increase self-awareness while building skills and capacity to engage with discussions and issues surrounding diversity, equity, and inclusion. Participants will develop a capstone project designed to drive excellence specifically tailored to their organization. At the conclusion of this program, a certificate will be awarded.
