

Indoor Facility Covid-19 Information

1. All players need to fill out the Covid-19 medical form
2. If their child is sick keep them home!
3. We are only allowing 1 spectator per player at this time, we strongly encourage parents to just drop off their child. If parents do want to stay they need to wear a face covering and practice social distancing with other parents/staff/players.
4. Players should bring their own water bottle, disposable water bottles should be thrown away at the end of every session.
5. Players should bring their own hand sanitizer (we do have plenty of sanitizer stations in the building but this limits unnecessary contact)
6. Players should have their own face covering/mask, they will need to wear it upon entering the building until they get on the field, going to the restroom, during team "talks" that you cannot maintain social distancing.
7. Child's clothing/uniform/equipment should be washed/sanitized after each training session.
8. Players should be dressed and ready before they enter the facility.
9. Players cannot enter the facility no earlier than 5 minutes from start of their session (ex. session starts at 6:00pm- they cannot enter until 5:55pm) and must go directly to the field. At the conclusion of the practice players/parents must exit the building within 5 minutes.
10. If their child shows symptoms of Covid-19 they should contact their healthcare provider so they can begin the tracing process (this needs to be done before the child is tested because results may not come in for a few days or more).
11. The maximum capacity of each field is 25 people (this includes coaches).
