Maybe because she was raised by her grandparents, or maybe its just who she is, but Resu is very stoic and has the feeling of an old soul. She make take a while to make a decision but once she does then she is fiercely determined and moves fast! She is also very fast in running and agile, able to make her way through the streets of Disce in a flash of color.

She lives with her grandfather and he doesn't like to talk about Resu's parents. She still doesn't know why. Resu is very loyal and hard on herself when she feels like she could have done better or made a mistake. She loves to laugh and be silly but she picks her moments to let out crisp and short laughs.
