NOTE: This schedule will only show courses enrolled in at student's current school. Kolbe has 2 schools--High School and Grades K-8. If student is in 7th or 8th grade and taking a high school level course (i.e. Algebra 1) it will not show here.

Your are here

Course Codes.
Begins with:
W = Online Course
H = Homeschool Course
S = Self-Paced Course
P = Self-Paced Plus Course

Even though you should be working on these throughout the week, all traditional homeschool, self-paced, and self-paced plus courses will be listed on Friday so as not to conflict with any online courses your student may be taking.

NOTE: All times are listed in Pacific Time as that is the time zone of where our office is located.

Online courses will be listed here on the day and time your student is to attend.
