Global design contest visualizes Apple's upcoming VR/AR headset

Freelancers from all around the world imagine what the rumored Apple mixed reality headset, expected to release this year, might look like

SYDNEY, Australia - 25 January 2023 – [Freelancer.com](https://www.freelancer.com) (ASX: FLN) (OTCQX: FLNCF), the world's largest freelancing and crowdsourcing marketplace by number of users and jobs posted, revealed the winner of its "[What will the Apple VR-AR Headset look like?](#)" contest.

The global competition offered \$500 AUD to the best conceptualization of what the rumored Apple VR/AR headset would look like. After receiving numerous submissions from freelancers all around the world, [Freelancer.com](https://www.freelancer.com) selected a detailed render created by [Ahmed Chenni](#), a talented freelance 3D artist from Ain Azel, Algeria.

"Our contests are a great way to crowdsource a range of unique and diverse ideas of virtually anything, whether it's rumored products or a logo for a business. We're blown away by the quality of the submissions, particularly the work from Ahmed. Apple's upcoming mixed reality headset is expected to be a high-end device and the winning visualization hits the nail on the head by blending components of Apple's premium products," said Marko Zitko, Communications Manager at Freelancer.com.

The top submissions of Freelancer.com “What will the Apple VR-AR Headset look like?” contest include:

Winner - Ahmed Chenni [@ahmadcheni31](#)

Runner up - Jose R. [@joseraphael777](#)

Runner up - Adriano O. [@adrianoorbarissa](#)

Runner up - Bruk N. [@Bruk4](#)

This is one of many contests where Freelancer.com asks its millions of freelancers to design a concept of rumored or unreleased products. In the past, Freelancer.com ran a contest to '[Create a design for the rumored Apple Electric Car](#)' where hundreds of submissions helped visualize what the Apple Car might look like.
