

**EVENT HORIZON BRING LOVE AND PROGRESSIVE METAL THIS VALENTINE'S DAY
WITH THEIR NEW EP *A NIGHTMARE OF SYMMETRY***

Los Angeles based progressive death metal group **Event Horizon** will warm your blackened heart this Valentine's Day with their new EP *A Nightmare of Symmetry*. The EP contains five new tracks showcasing the band's unique fusion of modern death metal and classical guitar. Fans of Opeth, Cynic, and Allegaeon will be seduced by Event Horizon's unique breed of progressive music.

Tracklist:

1. Asymmetrical
2. The Light That Carries Me
3. Beyond the Fourth Wall
4. The Red Waltz
5. First World Phenomenon

Band Bio

Founded in 2011 by classically trained guitarist Max Sindermann, Los Angeles based progressive metal group **Event Horizon** sought out to bridge the gap between classical guitar and modern death metal. Joined by David Cortes on guitar, Vincent Medina on bass, and Jacob Alves on drums, Event Horizon is making their mark by producing new and original progressive metal that has the lush, vibrant harmony of classical music and the raw, visceral energy of metal.
